MEET THE SPEAKERS

Dr. Benji Teoh Tze Yuen

*Consultant Dermatologist, Head of
Dermatology Department, Malaysia*

A renowned dermatologist with credentials from the University of Calgary and the Royal College of Physicians, UK. He heads the Dermatology Department at Hospital Selayang, also contributing to other medical centers. Co-founder of Central Dermatology Specialist Clinic, he's dedicated to advancing dermatological care. Dr. Teoh focuses on research in non-melanoma skin cancer and acne management, presenting at global conferences, showcasing his commitment to excellence in dermatology.

Dr. Vu Nguyet Minh

*Dermatologist, Lecturer, Clinical
Research Director, Vietnam*

A prominent figure in Vietnamese dermatology, excels in academia and clinical practice. As a lecturer at Hanoi Medical University and Director of the Clinical Trial Center at the Central Dermatology Hospital, she significantly influences dermatological research and healthcare. With a Ph.D. in Dermatology and over 30 scientific publications, Dr. Minh's work bridges research and clinical practice, profoundly impacting dermatological care in Vietnam.

MEET THE SPEAKERS

Dr. Nurul Ain Abdullah

Aesthetic Physician, Medical Director, Malaysia

A leading medical professional with an MSc. in Anti-Aging, Regenerative Medicine, and Medical Aesthetics from University College Sedaya International, and an MB BCh BAO from the National University of Ireland. Since founding Alainn Clinic in 2014, she has become a Key Opinion Leader in skin injectables and body contouring treatments. Dr. Nurul Ain's dedication to advancing medical knowledge is evident through research projects, audits, and publications, while her media appearances significantly raise public awareness in aesthetic and medical practices.

Dr. Peter Peng Hsien Li

Dermatologist, Founder & Director, Taiwan

A board-certified dermatologist/dermatological surgeon, founded Dr. Peng's Dermatological, Cosmetic, and Laser Clinic in Taiwan. Graduating from the National Defense Medical Center in Taipei in 1990, he completed four years of dermatology training at Tri-Service General Hospital. Since 1998, Dr. Peng has treated over a hundred thousand Asian patients, specializing in various techniques. With over two decades of experience, he is globally recognized, having shared his expertise in over 200 events across 25 countries and 57 cities worldwide.

MEET THE SPEAKERS

Dr. Chin Chang Hooi

Aesthetic Physician, Founder, Malaysia

A seasoned medical professional, holds an M.D. from KURSK, Russia. He's certified by the Malaysian Aesthetic Certification (MAC) program and holds a Diploma in Dermatology. Dr. Chin's journey includes roles at Hospital Kuala Lumpur and Hospital Tawau before transitioning to private practice. With a Postgraduate Certification in Primary Care Dermatology, he founded True Clinic in 2019, dedicated to personalized medical aesthetic services, reflecting his commitment to patient well-being.

Dr. Rob Knight

Lead Scientist, USA

An honorary research fellow at the University of Melbourne and Lead Scientist at Cellese Inc., specializes in stem cell and exosome-based therapies. With over a decade in regenerative medicine, he focuses on anti-scarring therapeutics and skin regeneration. Holding a PhD in small extracellular vesicles as anti-scarring therapeutics, a Master's in Tissue Engineering, and a Bachelor's in Biomedical Science, he explores applying regenerative medicine to cosmetic aesthetics.
